The School
During 2013 St. Joseph’s presented their biannual musical production. All students from Kinder to Year 6 performed, sang and danced in what was a highlight for our entire school and local community. St. Joseph’s is a small school in the South West Deanery of the Wagga Wagga Diocese. There are 61 students in four classes ranging from Kinder to Year 6.
Finley is the centre of the Berriquin Irrigation Area. In 1935, construction on the Mulwala Canal began in order to provide employment and bring water to the area’s rich farmland. It’s now one of the largest irrigation canals in Australia and is an integral part of the famed Riverina food bowl, the Finley district hosts a diverse range of cropping and agricultural enterprises and forms one of the main economies for the area. The township itself has a population base of 2509.
It is with pleasure that I present our 2013 Annual Report for St. Joseph’s Catholic Primary School, Finley.

Catholic Identity
The school has continued to work closely with Father Martin Cruickshank and the St Mary’s Parish in providing opportunities for the students to continue their faith development. Our year 3/4 students received the sacrament of Reconciliation and First Holy Communion during term two. The students and teachers put a lot of time and effort into preparation for these sacraments and were joined by family and friends to celebrate these special occasions.
We also provide many opportunities for students to participate in masses through the school year. There were many highlights during 2013. One particularly memorable event was the ‘Blessing of the Animals’ mass. Many family pets and farm animals came to school to receive a blessing from Father Martin.
Each and every day we aim to ensure that each student has the opportunity to grow academically, spiritually, physically and emotionally. At St. Joseph’s we celebrate diversity and provide for each child an education that recognises their individual abilities, gifts and interests and fosters within them the Gospel values of love, compassion and forgiveness. Each week we recognise and acknowledge the qualities that the students identify as being Jesus like through our Principal’s award. Our Year 5/6 class has continued to learn about and how we can make Jesus real in our everyday lives through the ‘Making Jesus Real’ program. They have learnt to take ownership of their actions, words and choices and to be aware of the impact they can have on others.
This program together with our Principal’s award has helped to create an atmosphere where the students know and can articulate what it means to be a loving, compassionate and forgiving member of the St. Joseph’s community.

Our Vision
Our Vision is to provide a quality education in an environment that supports the welfare of all. Our community promotes strong Christian Values, faith development and family involvement in each aspect of our school.

Our Mission
We believe that St Joseph’s School, Finley is a Faith community within St Mary’s Parish where:
• Christ is central and all members
are encouraged in their Faith journey to empower them to be able to make a difference in the present and future world/society.

- There is a commitment to strive for excellence in Education therefore ensuring that all children will work towards their potential.
- There is respect for the dignity and uniqueness of each person in order to cater for the individual needs of all children, and foster their whole development—spiritual, moral, social, emotional and intellectual.
- The atmosphere of the school community reflects clearly that Gospel values are endorsed and witnessed by teachers, students, parents, and all of the members of the Parish community.

**Exit Outcomes**

When the boys and girls at St. Joseph’s have completed their schooling with us, we the parents and staff, would like for them to:

- have experienced God and Church and have developed a knowledge of our faith and the values that our religion stands for
- be independent, flexible and cooperative workers who are capable problem solvers, risk takers and decision makers
- be active participants in life who have experienced the responsibility of leadership
- be happy and proud of themselves and be confident to share their talents and skills with others
- be respectful of others and their differences
- be willing to have a go and do their best
- be competent readers, writers and mathematicians
- be competent users of technology and have an appreciation of the arts
- have developed an understanding of the world around us
- have knowledge and understanding of good personal health
- be lovers of life and learning
- appreciate the value of family and have experienced good role models here at school
- be prepared for life beyond St. Joseph’s

**A Message from key School Bodies**

Our parent committees continue to meet regularly and coordinate activities which support the needs of our school community. Each year we provide the school with financial support to enable the purchasing of the resources and maintenance of facilities which are crucial to our children.

Thank you to all the families who have given of their skills and time to run events such as Finley Annual Tractor Pull, combined school and parish fete, trivia night, catering of clearing sales, Finley Bowling Club raffle night and so much more. Once again through our efforts we have been able to meet the needs of our community.

Thank you to my fellow committee members. Both the School Council and the Parents and Friends play a crucial role at St. Joseph’s and I would like to acknowledge the commitment of the people who attend the meeting and contribute to the discussions around important school business.

Thank you to Fr. Martin and the staff for their ongoing commitment to the parents and students of St. Joseph’s. We know that you have their needs at the forefront of all decision making.
and that you work collaboratively to ensure the students are supported and challenged to achieve their best. Finally, to the students of St. Joseph’s, congratulations on another fantastic year of learning. It was wonderful to see your drive and enthusiasm for all that you do. This was especially evident in your presentation of the musical production. What a highlight for 2013.

Andrew Chesworth
Council Chairperson

Student Outcomes in Standardised National Literacy and Numeracy Testing
St. Joseph’s Primary school has participated in BST Literacy and Numeracy since 1998 and in BST Writing since 2001. The school monitors the NAPLAN Data each year and uses that information to inform its learning and teaching practices for the upcoming year. During 2013 we continued to achieve good results in reading and punctuation and grammar for both Year 3 and 5. Placing above the state average in both areas. In the subject of spelling our students have demonstrated steady improvement over the past few years. All students in both Year 3 and 5 have achieved sound results in the area of numeracy.

Professional Learning
During 2013 our staff were provided with workshops and lectures around their knowledge and understanding of the new NSW English Syllabus for the Australian Curriculum. They began to explore opportunities for new approaches to the learning of English. As a whole school we developed our approach to the implementation of the new syllabus through whole school and school cluster planning sessions, development of school scope and sequence and the sharing of ideas and plans around the development of units of work. We have also worked to consolidate our prior learning from the program ‘First Steps in Writing’ in which we have been immersed for the past three years. During 2013 the teachers have engaged in professional discussion and planning meetings to improve their understanding of children’s development in writing, how to best meet the individual needs of students, how to provide rich learning experiences and how to evaluate learning to ensure progression. The teachers have combined this learning into their daily programs as an additional resource to support the development of the NSW English Syllabus for the Australian Curriculum. Our school also participated in a spot audit from the NSW Board of Studies. This process was a great professional learning opportunity for our whole staff. It affirmed our work through the feedback received from this external source.

Teaching Staff
The NSW government requires that this report detail the number of teachers in each of the following categories:
A) have teaching qualifications from a recognised higher education institution within Australia
B) have qualifications from a recognised higher education institution within Australia but no formal teacher education qualifications
C) have relevant successful teaching experience and appropriate knowledge but no formal teacher qualifications.
**Workforce Composition**
The staff of St. Joseph’s consists of 6 female teachers. Along with this we have 2 teacher’s aide and our school secretary.

**Student Attendance**
*Student attendance rates for each Year level and the whole school*

**Student Non-Attendance**
Electronic Roll used and monitored. Non-Attendance is followed up through teacher and parent communication and then through the school secretary.

**Enrolment Policy**
Our Enrolment Policy serves as a guide to the Principal and Parish Priest in implementing the Enrolment Process throughout our school. St Joseph’s accepts families with any cultural or religious background. Enrolling parents understand and accept that the children attending our school are involved in all activities including our Religious Education Program.

Our enrolment policy and procedure is linked directly to the [Diocesan Enrolment Policy](#).

**School Policies**

**Discipline**
The community of St. Joseph’s are committed to endorsing the gospel values of justice, inclusion, reconciliation, respect, trust and honesty. It is based on the belief that we respect for and are responsible for all members of our school community. (refer: Catholic Schools Office, Wagga Wagga [Discipline Policy](#))

**Student Welfare**
The community of St. Joseph’s are committed to endorsing the gospel values of justice, inclusion, reconciliation, respect, truth and honesty. A safe and secure environment is developed when all members of the school community respect the individual’s rights and freedoms, responsibilities and duties, as well as responding to the needs of students, staff and community. (refer: Catholic Schools Office, Wagga Wagga [Pastoral Care Policy](#))

**Complaints and Grievances**
The community of St. Joseph’s are committed to providing a safe and supportive environment. This is characterised by fairness, mutual trust, respect and reconciliation. (refer: Catholic Schools Office, Wagga Wagga [Complaints and Suggestions Policy](#))

**Changes to School Policies**
At St. Joseph’s we continually assess and evaluate these policies on a yearly basis. These have included school attendance policy, school evacuation and lockdown policy and procedures.
**Improvement Targets**

During 2013 the staff of St. Joseph’s have worked collaboratively with our surrounding schools to develop our spirituality and explore our own relationship with Jesus in our personal lives and as teachers in Catholic schools. The Year 4/5/6 students continued their involvement in the Making Jesus Real program.

We have also continued our review and analyse of NAPLAN data to guide the implementation of teacher and learning programs to cater for individual needs. This saw the continuation of target group in literacy and numeracy based of the data gathered and areas of need. As a whole staff we have continued the process of reviewing policy documents for the benefit of our school community.

As a school community we have continued to meet the requirements of legislation through participation in an online CPR course and an online child protection course.

During 2013 we utilised our Country Areas Program funding to incorporate an arts program that included artist studies, creation of artworks based on artist techniques and art appreciation components including the Year 6 living statues project.

**Initiatives Promoting Respect and Responsibility**

The National Safe Schools Framework posters are on prominent display in our school environment. Respectful Behaviour and Responsibility is promoted on a daily basis. Posters are displayed throughout the school, developed by students and staff, and are referred to in general conversations and lived by all community members.

Strong community involvement is encouraged through a variety of activities; ANZAC Day, local events, visits to Retirement Village, parish events, inviting community to school for productions, artworks etc. We have continued to present a weekly Principal’s award to a student at our weekly assembly. This award celebrates the qualities that we, the students, staff and parents of St. Joseph’s value and appreciate in others. When asked be the students to identify these qualities they stated items such as friendliness, respectfulness, inclusiveness, thoughtfulness, hardworking, compassionate, initiative, pride in self and school and helpfulness. These qualities also directly link to the ‘Making Jesus Real’ program.

**Community Satisfaction**

The following information has been provided to the school. It has been a valuable gauge for determining the level of satisfaction the community has with our school.

**Parents**

My child is usually happy at St. Joseph’s Finley.
